## Notice To Institutions Authorised Under The Banking Ordinance 1992.

All references to EU member States in Administrative Notices issued by the Commissioner are to be construed to include the non-EU EEA States where that is necessary to give effect to the EEA Agreement. An EEA state means a State which is a Contracting Party to the EEA Agreement signed in Oporto on 2nd May 1992 as adjusted by the Protocol signed at Brussels on 17th March 1993 but, until the EEA Agreement comes into force in relation to Liechtenstein, does not include Liechtenstein.

References to EU Directives should also be construed so as to extend their application as provided for by the EEA Agreement.
